***Reasons for allowance***

1. This communication is in response to applicant's 03/04/2009 amendment in the application of Sayeedi for a "Method of supporting reactivation of a dormant session using stored service configurations" filed 09/05/2003. This application claims priority from provisional application 60/408,576 filed 09/06/2002. This application is a Request for Continued Examination (RCE) under 37 C.F.R. 1.114 filed on April 14, 2008. The amendment and response has been entered and made of record. Claims 2-4, 9, 12 have been canceled, and Claims 1, 5 have been amended. The claims have been amended to better point out and more distinctly claim subject matter comprising the invention.

2. Claims 1, 5-8, 10-11 are allowable as evident by applicant's amendment (Claims are renumbered as 1-7 respectively).

3. The following is an examiner's statement of reasons for allowance: The closest prior art of record fails to disclose or suggest a method of supporting reactivation of a dormant packet data session comprising: a base station receiving an identifier corresponding to stored service configuration information from a mobile station with a dormant packet data session; the base station requesting stored service configuration information from a packet control function, wherein the request comprises the identifier corresponding to the stored service configuration information received from the mobile station; the base station receiving a first message from the packet control function, the message containing stored service configuration information comprising at least one of a service option and a service reference identifier; and the base station

Art Unit: 2419

reactivating the dormant packet data session using the stored service configuration information and sending a second message containing an indication to notify a mobile station to use its stored service configuration, as specifically recited in claims.

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
